

Certificate of Accomplishment

This is to certify that

Akash Yadav

Student of **Masters of Computer Application MERN Full Stack 2024-26, JECRC University, Jaipur (Roll No. 24MCAN0244)** has successfully completed Live project based on MERN Full Stack. This project has been completed under the guidance of Industry Expert **Mr. Rajesh Chaudhari**, Technical Lead and Architect from Mar 27, 2025 – July 30, 2025.

The live project “Gatherly – An Event Management Website” was successfully developed by the student as a practical application of modern web development technologies. The project aimed to create a comprehensive online platform for planning and managing events, enabling users to explore upcoming events, register, book services, and stay updated with real-time notifications.

Prof. Abhayjeet Singh
Co-Founder and Chief Academic Officer
ImaginXP

“This student has completed a live project under my guidance.

The live project “Gatherly – An Event Management Website” was successfully completed by the student under my guidance, demonstrating remarkable technical skills, creativity, and dedication. The project aimed to develop a dynamic web platform that simplifies event planning, registration, and management, offering users an intuitive and efficient experience.

I highly recommend this student and I wish him/her a successful career.”

Technical Lead and Architect
